REMARKS/ARGUMENTS

Consistent with that discussed telephonically with the Examiner on July 15, 2010, Applicant has cancelled previously added Figure 7 and the associated portions of the specification added on May 5, 2010. Applicant has also replaced Figure 7 with a new Figure 7 consistent with that discussed with the Examiner in the above referenced telephone conference. The specification has also been modified accordingly. Support for new FIG. 7 can be found in at least paragraphs [0014-0015] and claim 2 as originally filed. No new matter has been added.

Additionally, in response to the Examiner's further request for "reasoning for selecting claim 3" with regard to the statement of the generic claims in the Office Action, Applicant respectfully directs the Examiner's attention to the previous Amendment filed on May 5, 2010, in which the election of species was further addressed. In that listing, claim 3 was no longer listed.

All rejections and objections having been addressed, it is believed this application is in condition for allowance. Reconsideration and acknowledgement as such is respectfully requested.

It is believed that no fee is required for this submission. If any fees are required or if an overpayment is made, the Commissioner is authorized to debit or credit our Deposit Account No. 19-0733, accordingly.

Respectfully submitted,
BANNER & WITCOFF, LTD.
